Protecting the security and privacy of personal data of contact persons (each a "**Business Partner Contact**") at our customers, suppliers, vendors and partners (each a "**Business Partner**") is important to Dynea AS. Dynea AS therefore processes personal data in compliance with applicable laws on data protection and data security.

The processing of personal data is necessary to meet the aforementioned purposes including the performance of the respective (contractual) relationship with Business Partners. Unless indicated otherwise, the legal basis for the processing of personal data is Article 6 (1) (b) or (f) of the General Data Protection Regulation or - if explicitly provided by Business Partner Contacts – the consent (Article 6 (1) (a) of the General Data Protection Regulation).

If Dynea AS does not collect the respective personal data, the purposes described may not be met by Dynea AS

2. Retention Periods

Unless indicated otherwise at the time of the collection of Business Partner Contact's personal data (e.g. within a consent form accepted by Business Partner Contact), we erase personal data if the retention of the personal data is no longer necessary in relation to the purposes for which they were collected or otherwise processed and no statutory retention obligations under applicable law (such as tax or commercial law) require us to further retain personal data.

3. Right to withdraw consent

In case a Business Partner Contact declared its consent for the processing of certain personal data by Dynea AS, the Business Partner Contact has the right to withdraw the consent at any time with future effect, i.e. the withdrawal of the consent does not affect the lawfulness of processing based on the consent before its withdrawal.
